M. Fairchild, H. J. Garcia, J. Murphy, H. Percle. *On the non-orientable 4-genus of torus knots with braid index 5 or 6. Journal of Knot Theory and Its Ramifications* **35** (2026), No. 7, 2650001. doi:10.1142/S021821652650001X.

Talks

On some structural properties of graphs with non-negative resistance curvature — Fall 2026
LSU Combinatorics Seminar

Noncontractive Function Systems — Spring 2023
6th TX-LA Mathematics Undergraduate Conference

On The "Kelly Sequence" — Spring 2023
6th TX-LA Mathematics Undergraduate Conference

Teaching

MATH 1431, Business Calculus — Lab Leader/TA, LSU — Spring 2026
Sections 7, 11, 19

MATH 1431, Business Calculus — Lab Leader/TA, LSU — Fall 2025
Sections 7, 8, 9, 11, 25, 28

Honors Calculus 1 — Primary Instructor, Arden Cahill Academy — Fall 2023–Spring 2024

Mentoring

Research Mentor for RTG Undergraduate — Fall 2026–present

Mentor, Directed Reading Program — Fall 2026

TA, BSM REU at Haverford College — Summer 2026

TA, 2026 LSU Undergraduate FRC — Summer 2026

Mentor, Vertically Integrated Research Courses, LSU — Fall 2025–Spring 2026

Organisations

Organiser, LSU Informal Combinatorics Seminar — Fall 2025–present

Webmaster, LSU AMS Student Chapter — Fall 2026

Webmaster, LSU RTG — Spring 2026–present

Manager, LSU Math 3D Print Lab — Spring 2026–present

Officer, LSU AWM Student Chapter — Fall 2025–present
President (Fall 2025–Spring 2026); Secretary (Spring 2026–present); Webmaster (Fall 2025–present)

Fellowships and Awards

LSU RTG Fellow — Fall 2026–present

Pasquale Porcelli Graduate Student Academic Excellence Award — Spring 2026

Robert and Betti Giles Senior Mathematics Award — Spring 2025

Peg and Tom Madden Mathematics Research Scholarship — Spring 2024

Porcelli Junior Scholarship — Spring 2023
